SUMMARY

Dedicated MERN stack developer with hands-on experience in building robust web applications from scratch. Proficient in developing seamless front-end interfaces using React and handling server-side operations with Node.js and Express. Skilled in implementing secure authentication, managing data in MongoDB, and integrating APIs to enhance user experience. Driven to create efficient, user-centered applications and eager to contribute to dynamic development teams while continuously improving technical expertise

EDUCATION

Bachelor of Technology (IT)

Bhilai Institute of Technology Durg

📅 2021 - 2025 📍 Durg

CPI

8.23 / 10

Higher Secondary XII

Holy Cross Kapa

📅 2020 - 2021 📍 Raipur

Percentage

89.4 / 100

Matriculation X

Holy Cross Kapa

📅 2018 - 2019 📍 Raipur

Percentage

83.4 / 100

Personal Projects

HireSphere {Online Job Portal}

https://github.com/MohitKhedwal/HireSphere

User Authentication: Secure login and registration for users to access job listings and manage profiles.
Job Posting and Applications: Allows users to browse, post, and apply for jobs, with options to track applications.

BlogSphere {Blog Website}

https://github.com/MohitKhedwal/Blog-Website

User Authentication: Implemented secure login and registration functionality.
Image Uploading: Users can attach images to their blogs to enhance content.

Detectify {AI Image Detection}

https://github.com/MohitKhedwal/image-detection-project

Real-time Object Detection: Integrated **TensorFlow.js** to run image detection models directly in the browser without the need for server-side processing.
Pre-trained Models: Utilized **COCO-SSD** and other pre-trained models from **TensorFlow.js** for fast and efficient object detection

EXPERIENCE

Web Developer Intern

Chhattisgarh Infotech Promotion Society

Chhattisgarh Infotech Promotion Society (CHiPS) is the nodal agency and prime mover for propelling IT growth & implementation of the IT & e-Governance projects in the State of Chhattisgarh

- **User-Centric GIS Portal**: Designed an intuitive GIS portal using React.js, making it easy for users to access and interact with Chhattisgarh's geographical data through a seamless and engaging experience.
- **Secure Backend Development:** Developed a robust backend system using Node.js, ensuring secure user authentication and real-time data synchronization while efficiently managing large datasets for accurate geographical data representation.

SKILLS

- **HTML CSS**
- **JavaScript**
- **React.js**
- **Tailwind CSS**
- **Node.js**
- **Git**
- **C++**
- **DSA**
- **MongoDb**
- **Express.js**

STRENGTH

- Problem Solving
- Team Work
- Leadership
- Communication
- Attention to Detail
